

To whom it may concern,

Discontinuation of the XC6214 Series SOT-26 Package's Production

Torex Semiconductor Ltd. has considered the product integration and we may be able to steady and timely supply our products for our customers' demand while learning from a present market trend and etc.

A decrease in demand of the XC6214 series in SOT-26 package has become remarkable. As the result, we have decided discontinuation of these products.

1. Discontinued products: XC6214 Series in SOT-26 package
 * The XC6214 series in SOT-89 and TO-252 packages will be produced continuously.
2. The last day of receiving orders: The end of June, 2008
3. The last shipment from Torex: The end of December, 2008

Please ask Torex sales person or representatives for the details.

Last of all, we would appreciate very much for your great understanding for the above-mentioned circumstances and for your patronage to these products for many years.

Best regards,

Koji Shibamiya
